Voting Awareness Campaign

Voting is the moral right of a citizen of any country. Their votes help in making a good government. Hence it is necessary that all the citizens cast their votes. We have observed less voting taking place. Keeping this in mind SOU's NSS students team took an impactful initiative of spreading awareness regarding the importance of voting in the community for which they received a letter of acknowledgement from Honorable Collector Shri Sandip J Sagale (IAS) & Honorable Vice-Chancellor Dr .Jagdish B. Bhavsar of Gujarat University.

SOU's NSS UNIT AT COMMUNITY SERVICE

NSS for Road Safety

Silver Oak University's NSS unit students took the initiative to be a part of Road Safety awareness week. In presence of PI N.H.Jadeja, our NSS students with the support of police officers were able to spread traffic rules awareness to more than 500 people.

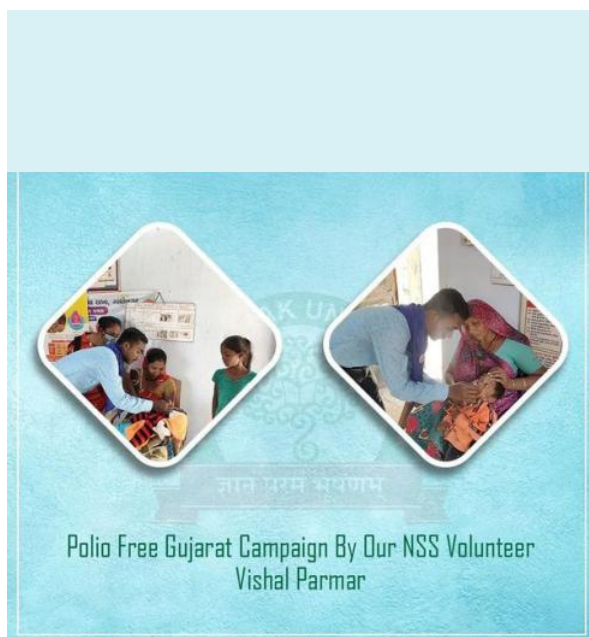

Such awareness initiatives by our NSS students assure us that the future of India is in bright and responsible hands.

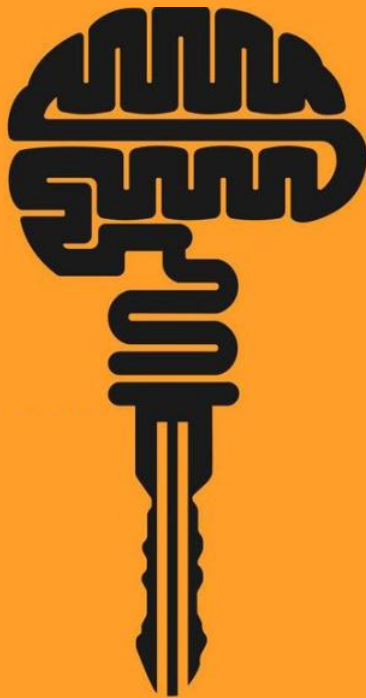

Making Gujarat Polio Free

"Let's make Gujarat Polio Free"

Under the guidance of Silver Oak University's NSS Coordinator Mr. Mahendrasinh Solanki, our bright NSS Student Vishal Parmar helped in vaccinating 613 children with polio drops in various areas of Gujarat. The nation needs students like Vishal Parmar who are determined to bring a change in society.
